6. FURTHER ASSURANCES

- 6.1 The Borrower shall if and when requested by the Lender and at the cost of the Borrower execute all such agreements, assurances and other documents and do all such acts and things as the Lender may require to better protect the Lender and its security position, or if the Borrower has failed to do something the Borrower has agreed with the Lender to do. - 10.2 **Default interest:** If the Borrower does not pay any amount due under the Credit Agreement on or before the due payment date, the Borrower shall pay the Lender default interest on the overdue amount (both before and after judgment) at the default interest rate specified in the Loan Disclosure. Such default interest shall be calculated and debited at the end of each day (and upon the basis of a 365 day year) from (but excluding) the due payment date up to (and including) the date on which the overdue amount is paid in full, and shall be payable immediately upon being debited. Any default interest that is not paid when due shall itself be treated as an overdue amount that is part of the Loan and itself bear default interest under this clause 10.2
- 10.3 **Delay and waiver:** Time shall be of the essence of the Credit Agreement but no failure to exercise, and no delay in exercising, any right or remedy of the Lender under the Credit Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other nor further exercise thereof or the exercise of any other right or remedy. No waiver by the Lender of any default, right or remedy under the Credit Agreement shall be effective unless it is in writing signed by the Lender.
- 10.4 **Circumstances beyond Lender's control:** The Lender and Borrower shall not be in breach of the Credit Agreement if there are circumstances beyond the Lender's control, such as the failure of the Lender's bank to process a payment or natural disaster occurs.
